Please print and return this order form to the address above with an enclosed check for the amount due made payable to "LaFayette Fire Department Inc". Due to the lack of volunteer availability, the LaFayette Fire Department no longer installs address signs. Signs will be made as soon as possible based on volunteer availability. Once the sign(s) are complete, we will contact you to arrange pickup/drop off. The signs should be placed in front of the address location, not necessarily the mailbox, as the intent of these signs is for emergency personnel to be able to find your address quickly.
